## **President's Letter**

Do you know how many parts there are to a loom? I didn't count them but there's a lot. I know this because I decided to take mine apart. How hard could it be? So, taking it apart is easy. Cleaning it, polishing the wood, lubricating the screws and putting it together is a lot harder than I ever imagined. What do you do when you have two extra pieces? I know they're important. I know where they're supposed to go. But somehow it's not lining up. Did I mention that this is the loom I'm going to use for the workshop in 2 weeks? Maybe we could have a future program on proper loom maintenance.

Speaking of the October workshop, 10 of us have signed up to learn about four shaft double weave. Natalie Drummond is leading the workshop and she is also our program for October. Natalie does some amazing work. She is very talented and you will want to come to the October meeting to see what she's been working on. Please note the change in date and venue for our October meeting. We will be meeting at the same church where we met last December for our silent auction and potluck lunch, Washington Evangelical Free Church, 3805 Laporte avenue, Valparaiso, IN 46385 , on October 7th. You will also want to come to the meeting so you can hear about the this years president's challenge. See you soon!

Lisa

It is with great sadness that I must share with you that Kathy O'Neill passed away last week. Kathy had been a guild member for 50 years. She was an amazing fiber artist. Some of her passions included weaving, spinning and knitting. She loved to travel and was on every continent. Her family had multiple fiber pieces on display at her service. She was very talented and shared her wealth of knowledge with anyone who needed help. She even tried to teach me to spin. It was my honor and blessing to have known Kathy. She will be greatly missed. ~Lisa

Kathy was my go-to gal whenever I needed weaving advice. I was in awe of all the places she had traveled to pursue her interest in textiles. I will never forget her guild presentation on Japanese textiles when she fully wrapped Jacque Gaddy and I in two of her magnificent kimonos. ~Shelby

Kathy had a vast knowledge of weaving and was willing to share this to help new weavers like Steve and I figure things out. She also shared a love of cats and I think I actually have an email from her in which the word "meow" was involved lol. Life is very much like a weaving with people crossing others paths like weft. I'm glad we crossed paths and may you rest in peace. ~Mandy Benson

Kathy was a member of the guild when I joined over 40 years ago. She was a fantastic weaver and knitter and shared her knowledge of the fiber arts to all around her. I remember her spearheading the guild projects for the Midwest Weaving Conferences, especially the Chicago skyline we created and I believe we won a prize at the conference for it. I don't think I will ever forget the special guest we had for I believe her 50th birthday party, and it took a while for her to talk to some of us again lol. She will be missed but never forgotten. She was an integral member of our guild. ~Peggy Reed

Kathleen "Kathy" Frances O'Neal, age 80, of Miller, passed away September 15, 2023. She was born March 27, 1943 in Gary, Indiana to Ervin and Dorothy O'Neal. The family lived in Miller, close to Lake Michigan, which gave Kathy a love for boating. She graduated from Wirt High School in Miller, earned an undergraduate degree from MacMurray College and earned a Master's degree from Indiana University. For many years, she taught history and English in the Lake Ridge School District, eventually working in administration until her retirement.

Kathy loved history and never stopped pursuing it, enrolling in many Great Courses online. It also led her to love traveling; to visit and explore the world. She achieved visiting all seven continents including Antarctica! Kathy loved the smaller cruise boats and owned a power boat herself which she was able to use on Lake Michigan. Her love of history also led her to explore archeology and anthropology and the many cultures which she visited.

Kathy was a member of the Miller Power Squadron. She was an avid weaver, owned several looms and exhibited her work. She was a long time member of the Weavers Guild in the area and also the Knitters Guild. Kathy loved to pursue more technical designs and challenged herself to intricate patterns and color schemes. Her family has been the grateful recipients of many of her creative and warm endeavors. She will be greatly missed.

Kathy is survived by her brother-William (Gail), niece-Caitlin, nephew- David; three great nieces; one great nephew.

The family will welcome friends and family on Wednesday, September 20, 2023, for a memorial visitation from 4:00 p.m., until the time of memorial service at 6:00 p.m., at Burns Funeral Home, 701 East 7th Street, Hobart, IN 46342, Pastor John Starr officiating.
